Can you afford not to do your spring thinking now?

Put time and money on your side next spring by making your crop planning this fall. Off-season thinking will help you make changes to new and more profitable farming practices. And right now is an ideal time to consider changing methods of handling, starter fertilizer. Or consider adding nitrogen. By starting now, you can help plan your program for the entire year. Let’s talk about it when we’re out your way. You have a thing or two to lose. And don’t save you a lot of time and money next spring.

**From Here And There**

Folk’s in Chatsworth have a lot to be thankful for. One is that we do live in the land of the living. The other is that the weather was warm and we were able to enjoy it. And as usual, there were a few snags about. The Chatsworth Junior Women’s club had a recent monthly meeting in the library and the president, Mrs. Helen Stickel, opened the meeting with a short welcome and some announcements. The meeting was well attended and a variety of topics were discussed.

Mrs. Stickel introduced a new member, Mrs. Elizabeth Grill, and announced that she would be moving to Peoria soon. Mrs. Grill is a very welcome addition to the club and everyone looks forward to having her with them.

The next meeting will be held on Tuesday evening, March 1, at 7:30. The meeting will be held at the Memminger Library.

**Bismarck Bedevils Bluebirds**

The Chatsworth Bluebirds lost their three-game winning streak to the Bismarck Blue Devils by a score of 40-0. The Blue Devils took the early lead in most of the categories, but the major difference was in the scoring percentages that they took advantage of in the first six minutes of the game. They converted these into points.

Chatsworth kicked off and moved to the 40 yard line. They then converted two first down passes for 22 yards and a 25 yard pass. This seemed to set the tone for the first half of the game.

The only quarter that the Bluebirds held was the second, when they controlled the ball for 10 minutes, gaining 60 yards, while Bismarck gained only 7 yards in 10 plays. However, the Blue Devils took control of the ball and scored on an intercepted pass.

The fourth quarter saw an aroused Bluebird offense, which scored on a fumble by the Blue Devils. The Bluebirds kicked off and gained 27 yards in 10 plays. However, the Blue Devils controlled the ball for 16 plays, gaining 60 yards. Three Bluebird fumbles were recovered by the Blue Devils for 37 yards, and the other played was scored on an intercepted pass which was returned for 50 yards.

The Bluebirds lost their chance to extend their winning streak to four games and now have a 2-4 record. The Blue Devils are now 4-2, and the winless Bluebirds have a 0-6 record.

**AND THE WINNER IS**... John Harris of East Elm in Chatsworth was the happy recipient of two Illini game tickets, after winning last week's football contest. Presenting the tickets to Mr. and Mrs. Harris and John is Bill Zorn, of the Citizens Bank of Chatsworth, last week's sponsor.
